

STATE RELAYS

State Relays were held last weekend - 28/29 November.

What a weekend it was. Blistering heats and blistering heat. The spectators and supporters were sweltering and melting, so we can't imagine how the athletes were feeling. Apparently it was 42° out on the track on Saturday.

Congratulations to all teams who competed on the day. You all did your very best in extremely uncomfortable conditions.

Our under 11 mixed 4 x 100m team came home with the SILVER. Well done team, you really know how to put us on the edge of our seats, second place by 100th of a second!!!

*Our under 10 mixed 4 x 100m team secured the gold, only to have every team in the final disqualified due to an **officials error**. What a shame boys and girls you all ran a fantastic race.*

A great effort by all competitors for having a go and doing your best.

PARENT ROSTER – PLEASE NOTE

December 18th and all of January 2010 BOTH rosters will be in operation.

When parents sign on to do a job they must continue with that job until it is completed. No spectators are allowed on the field. If you're not signed on for a job our insurance does not cover you and therefore you must remain in the carpark area.

Your child is still your responsibility and if you are not working on the roster you must still be in the carpark vicinity or arrange with someone to watch over your child.

Age Managers are not required to babysit your child until you return to collect them.

UNIFORMS

Last week, children who were out of uniform had their numbers recorded. Please ensure your child is in correct uniform otherwise they will be unable to compete.

*Last night of competition
December 18, 2009 and return
January 15, 2010.
Both parent rosters are required
for these nights and all of
January.*
